## President's Message

Debbie Smith

I would like to thank all of you who participated and helped make our 10<sup>th</sup> anniversary celebration a huge success. Thank you Carol Wilson and Loraine Pellegrino for putting together the program. Feedback received was extremely positive and complimentary. I am so pleased that you enjoyed the meeting and had fun.

It was great hearing from Councilman Sal DiCiccio about how things get done at city hall and how we can get involved by just asking questions. Kim Owens gave a great presentation on the Dodie Londen Leadership Series and I hope she inspired women from our club to apply for this wonderful program.

Many of you have asked how you can get involved... we still have committees open and our 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> Vice President's can always use some help. We will also be looking for members to join our Executive Board for 2016/2017. Don't forget to attend our local Legislative District meetings and the AzFRW meeting too!

Congratulations to our 2015 AZGOP Chairman Robert Graham and new officers as well as our LD-18 Chairman Mary Fritsche and her new team. Also congratulations goes out to Loraine Pellegrino for being elected to Member at Large representing Congressional District 9. (CD9) May God bless all of you and thanks for being an awesome group.

With gratitude,  
Debbie Smith, President

## Members Are Treasures!

*We enjoyed an awesome meeting in January to kick-off our 10th Anniversary!*

*Thank you for inviting your friends. I really enjoyed visiting with the many visitors we had join us. It was also wonderful to see members that were with us from the beginning. What great memories! Now I am looking forward to creating new memories with ARW. We continue to have great events planned, get the work of the Party done and have fun while doing it. Let's keep up the good work and keep inviting friends and family to join us.*

*"Chocolate and Politics" is one of our favorite meetings of the year. (Because we all love both) If you need a real hook to invite a friend to our February meeting that should do it.*

## For Our 1<sup>st</sup> President and Our 48<sup>th</sup> State

The Washington Monument, built to honor America's 1<sup>st</sup> and, undoubtedly, one of its greatest Presidents, was dedicated in the nation's capital on Feb. 21, 1885, missing the actual birthday of George Washington by one day, due to Feb. 22<sup>nd</sup> falling on a Sunday that year.

Set into the Washington Monument are 193 unique commemorative stone blocks. Many of these were contributed by individuals, civic groups, cities, territories, and even foreign countries, all wanting to demonstrate in this way their respect for the man who was "First in War, First in Peace, and First in the hearts of his countrymen". Blocks representing each state in the Union are also part of the total number, a stipulation being that these should be made from stone native to the individual state. Arizona's contribution, delivered in 1924, consisted of 3 connected cross sections of polished petrified wood from the Holbrook area, with the state's name painted across in gold leaf.

On April 15, 1924, the Arizona State Stone for the Washington Monument was officially dedicated. Republican President Calvin Coolidge delivered the following remarks on that occasion, paying tribute to both Arizona and George Washington, along with a few opinions relative to the 10<sup>th</sup> Amendment:

*"We have come here this afternoon to dedicate the stone which will stand for Arizona, the latest state to be admitted to the Union. ...The placing of a state stone involves a tribute to Washington the man, the leader, the founder...whose vision and courage made possible our national existence.*

*"It is Arizona's day, and to Arizona we bring our congratulations, our tributes, our affection and our good wishes for her future. ...Here in this great Southwest we will see builded one day a social structure, based on such a variety of resources and interests, that it will command a place among the foremost communities of our America.*

*"This occasion has its important and impressive symbolism. ...[A]s in this monument, each stone must remain intact, or the structure falls, so in our Nation each State must remain intact, or the political edifice falls. ...If we are to maintain the Nation and its Government, institutions with a fair semblance of the principles on which they were founded...the States should not surrender, but retain their sovereignty, and keep control of their own government. ...[T]here is always grave danger of encroachment upon the states by the National Government. ...The true course to be followed is the maintenance of the integrity of each state by local laws and social customs...in comparative harmony with all the others. By such a method, which can only be the result of great effort, constantly exerted, it will be possible to maintain an 'Indestructible Union of Indestructible States'. ...The nation can be inviolate only as it insists that Arizona be inviolate."*

In 2015, as we observe Arizona Statehood Day on Feb. 14<sup>th</sup>, it might be good for the people and the leaders of our state to consider these closing words from President Coolidge, and the intent and importance of the 10<sup>th</sup> Amendment.

Priscilla Poese, *Americanism*

Patriotic note: It's perfectly appropriate to fly our nation's flag in observance of Arizona Statehood Day, and also, of course, this month on Lincoln's birthday (2/12), Presidents' Day (2/16), and Washington's birthday (2/22).
