## President's Message

I loved hearing from Congressman Matt Salmon at our May meeting regarding his fight and willingness to do the right thing in Congress even when it's not popular. We need more Republican Representatives like that in Washington. A big thank you to him for spending time with us after a long day around Arizona.

Debbie Smith

Congratulations again to Sonia Serio our Marjorie Miner Scholarship winner. It was a pleasure meeting her family and seeing how appreciative she was for the support this scholarship would provide to further her education. Marj Miner also gave us an update on all the past recipients of the scholarship and how they had followed through to improve their education. I am so proud of the generosity of our club members who make a difference in other people's lives.

Save the date – August 11, 2015, Ahwatukee Republican Women will be holding a breakfast fundraiser with Governor Doug Ducey as our guest speaker. The event will be held at the Four Points Sheraton in Ahwatukee off Elliott and I-10. More details to follow.

We are also planning a trip to the House of Representatives in July where our very own LD18 Representative Jill Norgaard will host us on the floor of the house and walk us through the process of a bill and how it is heard, debated and voted on. We are firming the date and details and will be sending an email soon.

Thank you to our sponsor Cindy Towne for donating the raffle basket for May and sharing information about the **Nerium Age-Defying** creams and products. Please see her ad inside our newsletter as well as our other valued sponsors. And another big thank you to **Marlin Plumbing** for sponsoring 3 more months of raffle baskets. We couldn't do this without the generosity of our members.

Please join us at our June meeting to vote for the delegates to represent ARW at our AzFRW Convention in September and hear from our guest speaker State Senator Dr. Kelli Ward.

With sincere appreciation,  
President Debbie Smith

Summer is finally here ladies, We are heating up and bracing for a hot summer. We have had a nice spring and our club has grown to its highest number so far. Having said that, it would be so awesome to have 3 more members so we could have 1 more delegate at the AzFRW Convention. We are so proud of Loraine Pellegrino, founding member, as a candidate for AzFRW President. So lets put on our thinking caps and invite a friend that would appreciate being informed and politically educated by joining Ahwatukee Republican Women. Thank you so much for all your effort and participation this year and in past years. As membership chair, I have enjoyed connecting with our new and our faithful membership.

All my best,  
 Mary Baumbach

## “Hurrah for the Flag of the Free”

June 14 has been designated as Flag Day, a day honoring this proud national emblem of our country. The American flag has been known as Old Glory, the Star Spangled Banner, and a Grand Old Flag. It is also often called the Stars and Stripes, a descriptive name which inspired one of our country’s most popular patriotic marches, *The Stars and Stripes Forever*, written by “The March King”, John Philip Sousa.

Sousa was born in 1854, in Washington, D.C. His interest in music, particularly military music, and appreciation for the Marines came naturally – his father was a trombonist in the U.S. Marine Band. As a child, he studied voice, as well as several instruments, and later received training in music theory and composition. While still in his early teens, Sousa’s father enlisted him as an apprentice in the Marine Band. In 1880, at age 26, he assumed the leadership of that band, which is known as “The President’s Own”. He resigned his position in 1892, at the urging of a promoter, and formed his own civilian concert band. The Sousa Band, as well as Sousa’s many compositions, gained world-wide fame over the next several decades.

Although during his long musical career Sousa wrote nearly 140 marches, in addition to numerous songs and several operettas, his most famous and often performed piece is *The Stars and Stripes Forever*. The inspiration for this stirring march came to Sousa when he and his wife were aboard a ship in 1896, returning from a vacation in Europe. Sousa wrote in his autobiography that he had been on the ship’s deck, deep in thought over unexpected circumstances that could affect the future of his band. He recalled, “Here came one of the most vivid incidents of my career. As the vessel steamed out of the harbor I was pacing on the deck, absorbed in thoughts of...the many duties and decisions which awaited me in New York. Suddenly, I began to sense a rhythmic beat of a band playing within my brain. Throughout the whole tense voyage, that imaginary band continued to unfold the same themes, echoing and re-echoing the most distinct melody.”

The success of his new composition was immediate, and it was performed by the Sousa Band at almost every concert until Sousa’s death in 1932. In 1987, during the Reagan Presidency, *The Stars and Stripes Forever* was officially designated as the National March of the United States.

As we fly the Stars and Stripes on June 14, consider the opening lines of John Philip Sousa’s musical tribute to our flag:

*Let martial note in triumph float / And liberty  
extend its mighty hand.  
A flag appears ‘mid thunderous cheers / The  
banner of the Western land.  
The emblem of the brave and true / Its folds  
protect no tyrant crew;  
The red and white and starry blue / Is freedom’s  
shield and hope...*

*Hurrah for the flag of the free!  
May it wave as our standard forever.*

Priscilla Poese, *Americanism*

## June is National Safety Month

Injuries are a leading cause of disability for people of all ages – and they are the leading cause of death for Americans ages 1 to 44. There are many things people can do to stay safe and prevent injuries. To start, using a little common sense goes a long way for safety!

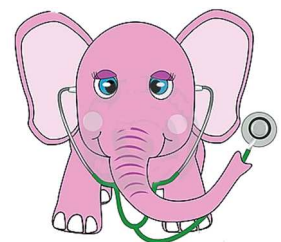

A few common sense safety Do's and Don'ts:

- ◆ Don't drink and drive or operate any type of machinery while under the influence of alcohol
- ◆ Don't misuse prescribed drugs or take any illegal drugs
- ◆ Don't swim alone in unattended water such as oceans, ponds, and lakes
- ◆ Don't forget to change out the batteries in your smoke detector yearly
- ◆ Don't leave children unattended in a bathtub
- ◆ Don't forget to wear a helmet when riding a bike or driving a motorcycle
- ◆ Do make sure you have an emergency preparedness plan
- ◆ Do make sure you wear a seat belt
- ◆ Do be sure your home is free of trip hazards and handrails are secure on stairs
- ◆ Do be sure children are not left unattended near a pool and that pools are properly fenced
- ◆ Do pay attention to pedestrian traffic laws as well as traffic laws while driving
- ◆ Do Drink alcohol only in moderation
- ◆ Do make sure heavy TVs and furniture are tethered to walls for small children
- ◆ Do help and check-in on the elderly that live alone
- ◆ Last but not least ALWAYS LEAD AND VOTE WITH A CONSERVATIVE CONSCIENCE!

Many of you were so generous to purchase raffle tickets which really helped us meet our goals for rent, scholarships, charities and other club expenses. Without YOU we could not be a strong Club to be advocates for the principles of conservatism, smaller government, constitutional law and to support candidates who will represent us.

The nominating committee will be looking for members to run for office for 2016-2018. I have been 3rd.VP for two years and encourage you to consider chairing the Fundraising for the club. It has been fun and challenging to come up with ideas, but we have learned what works and what doesn't. I have found full support from the Executive Board and the Membership. YOU DON'T HAVE TO DO THIS ALONE!

Thank you again for your Generosity,,,
